

Election of Striking Committee Procedure

- 1) The Striking Committee report making recommendations for appointments to Committees/Boards will be considered by County Council at the meeting scheduled for Wednesday, December 19, 2018. It will, therefore, be necessary for the Striking Committee to meet on December 13th or 14th to make recommendations for Committee/Board appointments.
- 2) For clarification, please be aware that the Deputy Warden is not automatically a member of the Striking Committee. For the Deputy Warden to be on the Striking Committee, he/she should be nominated from the floor.
- 3) The floor will be opened for nominations for the position of Striking Committee member.
- 4) Nominations need not be seconded.
- 5) Those nominated will be asked if they wish to stand or decline.
- 6) An alphabetical list of those accepting the nominations will be projected on the screen at the front of the hall.
- 7) Provided that a minimum of four names remain on the nomination list, the Warden will ask for a motion to close nominations.
- 8) If more than four nominees choose to stand for election to the Striking Committee, scrutineers will be appointed, a ballot with room for four names will be distributed to each member of Council and an election will determine the four members who, in addition to the Warden, will constitute the Striking Committee.
- 9) Should there be an equality of votes for the final position, the names of the candidates will be placed on equal sized pieces of paper in a box. Sufficient names will be withdrawn to constitute the committee.
- 10) Any ballot with more or less than four choices indicated will be considered a spoiled ballot.
