Review and Update - 2019

Save the Date
Consultation Workshop on the Windsor Essex 10 year Housing and Homelessness Master Plan

Please join us on January 30th from 1-4pm for the first of two Consultation Workshops to review and update the Windsor Essex 10 year Housing and Homelessness Plan.

January 30, 2019
1:00 pm - 4:00 pm (Registration at 1pm)
Light refreshments will be served

WFCU Centre in the Collavino Hall
8787 McHugh Street, Windsor

Meeting Overview:

The Workshop facilitated by Vink Consulting Inc. provides an opportunity for stakeholders involved in housing and homelessness system to help co-create the future of Windsor Essex's action plan on housing and homelessness. Participants will consider current strengths, challenges, gaps in housing and homelessness services, and help determine community priorities for the next 5-10 years.

The Workshop on January 30 will include a presentation on achievements over the past five years and information on the current state and future needs related to housing and homelessness in Windsor Essex.

A second Workshop, to be scheduled in late February will provide an opportunity to confirm the future needs of our community and identify the actions needed to achieve the goals of the renewed Windsor Essex 10 year Housing and Homelessness Master Plan.
