Dear Dr. Arra:

**Ultra Low Cold Freezer for Pfizer-BioNTech COVID-19 Vaccine**

On behalf of the Windsor-Essex County Health Unit, we would like to extend our sincerest gratitude for working with Chapman's for the delivery of their very generous gift of the Ultra Low Cold Freezer to our region to assist in the storage of the COVID-19 vaccines.

Compared to many other areas in the province, our region is unique in nature with our Canada/USA International Border, Cross-Border Health Care/Essential Workers, and the thousands of Temporary Foreign Workers employed in the Agri-Sector. This gift is substantial and will go a long way in helping to mitigate the spread of the COVID-19 virus in our region by providing the proper equipment we need.

Your kindness is greatly appreciated, and we cannot thank you enough.

Sincerely,

Gary McNamara  
Board Chair
