Dear Solicitor General Kerzner:

Re: Mandatory Firefighter Certification

The Ontario Government has been making great improvements to the legislation which governs the manner in which municipalities conduct their business. One such piece of legislation is the *Fire Protection and Prevention Act, 1997* and particularly, the requirements for firefighter certification.

While the Town of South Bruce Peninsula supports, in principle, the updates to requirements for volunteer and full-time fire service professionals, we must provide our comments in order for the Province to understand the great burden that the regulations will place on municipalities. Council discussed this issue at their regular Council meeting held on August 2, 2022 and adopted resolution R-296-2022 directing that you are contacted for assistance.

Smaller municipalities such as ours, are not fortunate enough to have full-time firefighters. Our emergency personnel are all volunteers with the exception of our Fire Chief who is a full-time employee and our Deputy Fire Chief who is a part-time employee. It is difficult for our volunteers to dedicate the time to obtaining full certification in the manner legislated, as the fire service is not their primary employment. We have found that the average retention period for volunteers is three to five years meaning that once fully trained, most of our volunteers would leave the service or may even leave the service before they are fully trained and certified.

As you can imagine, this places a huge financial burden on our taxpayers as the certification is an additional cost which is funded wholly from the tax base. No grant funding or other financial assistance has been offered from the Province.

We are under the understanding that the Association of Municipalities of Ontario, many municipal governments and the Fire Chiefs across Ontario have raised concerns regarding the legislated requirements for certification. We are respectfully requesting that meaningful consultation and collaboration with the commenting parties takes place

TOWN OF
SOUTH BRUCE PENINSULA

quickly so that municipalities can better manage their finances and workforce where emergency service provision is concerned.

We look forward to hearing from you and to discussing our position on this important matter with you further.

Yours very truly,

Janice Jackson, Mayor
