## Preservation of Tree Canopy and Natural Vegetation Policy

Policy # [C] - [DI] - 00000

Date Last Reviewed: August 19, 2021

### 1.0 Purpose and Scope

- 1.1 The Policy provides a framework for the preservation and enhancement of the Tree Canopy and Natural Vegetation in the Municipality of Lakeshore.
- 1.2 Section 270 of the *Municipal Act, 2001* requires all municipalities to adopt and maintain policies with respect to the manner in which the municipality will protect and enhance the tree canopy and natural vegetation in the municipality.
- 1.3 This policy is intended to create awareness of current and future environmental issues that can be mitigated through the plantation of trees within the municipality. In addition, the enhancement of Tree Canopy and Natural Vegetation may improve quality of life, air quality, property values and wildlife habitat and reduce crime rates, stormwater runoff, energy use and the urban heat island effect.
- 1.4 This policy applies to all municipally-owned lands within the Municipality of Lakeshore.

### 2.0 Definitions

- 2.1 “Municipality” means the Municipality of Lakeshore.
- 2.2 “Natural vegetation” means the native plant life that grows naturally without human intervention in a geographic region.
- 2.3 “Tree canopy” means the layer of tree leaves, branches and stems that cover the ground when viewed from above.

### 3.0 Policy

- 3.1 The Municipality will enhance the Tree Canopy and Natural Vegetation on municipally-owned lands through municipal programs such as the planting of trees in new subdivisions and parks.
