Dear Ms. Monik:

**Re: Sun Parlor Home Visit – Essex County Accessibility Advisory Committee**

On behalf of the Essex County Accessibility Advisory Committee, I want to thank you and your staff for providing us the opportunity to tour the Sun Parlor Home, which allowed us to garner a greater understanding of the quality resident care that is provided at the facility.

We enjoyed learning about the variety of resident-focused initiatives and it was a pleasure to meet many members of your knowledgeable and caring staff.

Some items that the committee did note while viewing the facility were the following:

- Resident bathrooms are small and may not accommodate a wheelchair;
- Common (public) bathroom toilets appear to be too far away from the grab bars/wall.

The committee would recommend that adjustments, addressing these two areas, be considered and made when appropriate.

Again, thank you for inviting us to tour the facility and for your hospitality.

Yours truly,

Christine Easterbrook  
Chair, Essex County Accessibility Advisory Committee
