Resolution No.: 2026- 078

Whereas public libraries play a vital role in ensuring equitable access to information, literacy, education, and culture for all residents;

And whereas interlibrary loan services are an essential component of public library operations, particularly for small and rural communities with limited local collections;

And whereas reduced postal rates for library materials have historically enabled libraries to share resources efficiently and affordably across Canada;

And whereas recent amendments to the Canada Post Corporation Act have removed the legislative requirement to provide reduced postal rates for library materials, creating uncertainty for the continued delivery of this essential service;

Now therefore be it resolved that the Council of the Corporation of the Township of Perry calls upon the Government of Canada to maintain and protect reduced-rate postal distribution for library materials through legislation;

And that Council requests that the Minister responsible for Canada Post ensure continued, affordable postal access for libraries and interlibrary loan services;
