

## **Administrative Report**

### **Office of the Director of Transportation Services**

**To: Warden Tom Bain and Members of County Council**

**From: Tom Bateman, P.Eng  
Director of Infrastructure Services/County Engineer**

**Date: February 7, 2018**

**Subject: Tender Summary – 2018 Structure Rehabilitations (1)**

**Report #: 2018-R004-IS-0207-TRB**

---

#### **Purpose**

The purpose of this report is to provide County Council information and recommendations pertaining to e-tender results for a bridge rehabilitation project to be undertaken as part of the 2018 Rehabilitation Program.

#### **Background**

The approved 2018 Rehabilitation Program includes the rehabilitation of the County Road 20 Bridge over the Canard River.

The scope of work on this project includes the replacement of the easterly barrier wall. The proposed works do not require a road closure. A similar project was undertaken in late 2017 on the west barrier wall system.

The location of this project is shown on the attached map. (Appendix 1)

#### **Discussion**

The bridge projects included in the 2018 Rehabilitation Program involve complex work requiring specialized operations for repair and rehabilitation of the bridge super structures over navigable waterways with some located within provincially significant Wetlands. Recognizing the complex and

---

sensitive nature of the work a prequalification process for contractors was utilized.

Sixteen firms met the prequalification requirements and were subsequently invited to submit e-tenders for the projects. The contracts provide liquidated damages intended to provide schedule compliance.

Tender results were aligned with the Engineer’s estimates and within the project budgets. The aggressive bidding is attributable to the early release tender process and the proposed timing of the works anticipated to proceed during the spring months.

The following is a summary of the tenders received.

All amounts do not include H.S.T.

**County Road 20 – Bridge over Canard River**

---

<b>Engineer’s Estimate</b>	<b>\$190,000.00</b>
Facca Incorporated	\$163,200.00
Front Construction	\$181,700.00
Intrepid General Ltd.	\$274,365.88

The e-tenders were reviewed for compliance with specifications and mathematical accuracy. There were no errors in the tender submissions.

**Recommendation**

It is recommended that the tender be awarded as follows:

**Project Number – 688-2018** – County Road 20 Bridge over Canard River Rehabilitation to Facca Inc. for a total tender amount of \$163,200.00, plus HST.
