By-Law Number 21-2018

A By-law to Authorize the Execution of the Clinical Connect Participation Agreement between Hamilton Health Sciences Corporation (HHS) and the Corporation of the County of Essex (Sun Parlor Home)

Whereas the Corporation of the County of Essex owns and operates a long term care facility called the Sun Parlor Home (SPH);

And Whereas having access to SPH residents electronic health records would ensure that health care professionals treating residents at the SPH would have full knowledge of their medical history;

And Whereas Clinical Connect is a secure, web-based portal that provides physicians and clinicians with real-time access to their patients' electronic medical information and is funded by eHealth Ontario;

And Whereas Hamilton Health Science is the solution provider for Clinical Connect;

And Whereas Clinical Connect will allow the SPH physicians, physician assistant, Administrator, Nursing Leadership Team and at a later date, registered staff and Ward Clerks access to medical records for all of the SPH residents;

And Whereas access to Clinical Connect would be limited to the above referenced SPH staff only;

Now therefore the Council of the Corporation of the County of Essex hereby enacts as follows:
