Dear Mr. Masionville:

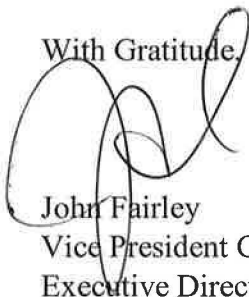

Your passion and commitment to our students and generous donation towards the St. Clair College Scholarship Program will continue to ensure that we can attract and retain the most promising students. We value your involvement as a donor of St. Clair College.

Because of your generosity, students at the College continue to benefit from abundant opportunities to learn, grow, and excel. This year, the St. Clair College Foundation awarded over \$515,000 in student scholarships at our Windsor Essex and Chatham-Kent campuses. This means that over 680 students in 2018 were able to receive assistance with their education from generous donors, such as yourself.

During our 50 year history, St. Clair College has grown to over 10,000 full time students who are enrolled in over 125 diploma, certificate and degree programs. There are four campuses in Windsor-Essex and Chatham-Kent with state-of-the-arts facilities. During our 50 year history, St. Clair College has graduated more than 100,000 alumni who have contributed to the economic and social infrastructure of our communities across the country and around the world.

On behalf of the St. Clair College Foundation, our administration, faculty, staff and most importantly our students, I would like to extend my sincere gratitude for your generosity. You have made a real difference in the lives of the students we support. I cannot thank you enough for being a champion for our students and St. Clair College.

With Gratitude,

John Fairley  
Vice President College and Community Relations
