To: Warden Tom Bain and Members of County Council

**From: Tom Bateman, P.Eng
Director of Infrastructure Services/County Engineer**

Date: May 16, 2018

Subject: Tender Summary – 2018 – CWATS Paving Project (1)

Report #: 2018-0516-IS-R014-TRB

Purpose

The purpose of this report is to provide County Council information and recommendations pertaining to the tender results for the construction of active transportation pathway along County Roads to be undertaken as part of the 2018 CWATS Program.

Background

Included in the approved 2018 CWATS Program, a project along County Road 20, in the Town of Kingsville, was approved by the CWATS Committee with the Town agreeing to fund their share of the project costs. This project will provide 500 m of active transportation facilities consisting of a "back of curb" pathway in a short section west of County Road 45. A tender for the construction of the active transportation pathway along County Road 20 was issued for the location as shown on the attached map.

Discussion

The following is a summary of the tenders received. All amounts do not include HST.
