Background

Included in the approved 2018 CWATS Program, a project along County Road 2, in the Town of Lakeshore, was approved by the CWATS Committee with the Town agreeing to fund their share of the project costs. This project will provide 1.5 km of active transportation facilities consisting of paved shoulders on both sides of the road and a multi-use path on one side of the road from VIA Rail to Wallace Line. A tender for the construction of the active transportation pathway along County Road 2 was issued for the location as shown on the attached map.
